Referral Support: Mentee Recruitment & New Partnerships

The Center Foundation is working hard this winter to recruit new mentees and perform outreach for our three life-changing mentorship programs: [WomenCare](#), [YPSN](#), and [TeenCare](#). And we need your support!

Know a woman in transition, teen parent, or at-risk teen girl who could benefit from our mentorship programs? Please contact Program Director Jane Todd at Jane@TheCF.org or 610-551-4372 for referral

purposes.

Do you work for an organization or have an "in" with an organization whose mission aligns with ours? Please contact Executive Director Kim Yacoubian at Kim@TheCF.org or 610-357-8941 for new partnership opportunities.

Double Your Impact - Employer Matching Gifts

The Center Foundation would like to extend our sincerest appreciation to our donors for their recent contributions to our annual fundraising campaign, as well as our volunteer mentors for their endless support of our mentees.

It's not too late to double your impact and ask your employer about their matching gift program! Many employers boast generous matching gift programs and will match your charitable contributions and volunteer hours.

Please contact Executive Director Kim Yacoubian at Kim@TheCF.org or 610-357-8941 for coordination purposes.

Thank you for your continued support of The Center Foundation and our matches!
